Greetings From Your Director

Hey Everyone,

Spring is finally here. I hope everybody has had a chance to get out and do some riding. We had our first Friday Fish Ride. The primary officers were not able to attend as we were in Milwaukee for the POT training which was a two day event. It was a great learning experience. We hope to bring what we learned back to the chapter and improve on our skills. I want to thank Tom and Julie Holmes for leading the ride.

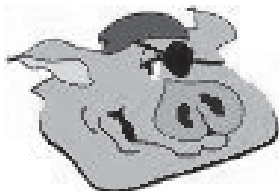

I want to remind everyone that we will be bowling for Big Brothers/Big Sisters on Sat May 6 at Leisure Lanes. I hope everyone will come out either to bowl or to cheer us on. We always have a great time.

Spring Open House at Kutters is Sat May 20th. **Volunteers are needed!** We would appreciate all the help we can get. Sign up sheets are at Kutters for those that can help out.. We will begin selling raffle tickets for our bike that we will be giving away (2006 Deep Cobalt Blue Street Glide)

Everyone can pick up tickets at the next meeting which is Sunday May 7th at Kutters. This year the Big Brothers/Big Sisters staff will also be helping out selling tickets. The bike will be given away September 23 at the Fall open house. Hope to see everyone at the next meeting or out riding soon.

MINUTE BY MINUTE.....

April 12, 2006 Meeting Minutes

The April meeting of the Swiss Valley HOG Chapter was called to order by HOG Secretary Kathy Rindy in the absence of our Director and Asst. Director. The Pledge of Allegiance was recited and new member(s) were welcomed. Linda Carl from Darlington and Jerry Knapper from Lancaster. Jeff and Karley Huber also rejoined after taking a year off. Welcome and welcome back!

Treasurer Mike Schmid reminded us that the HOG Bowling for Big Brothers/Big Sisters is Saturday night, May 6 and 8:00 PM. Pledge envelopes are available in the HOG Corner at Kutter. If you are unable to bowl, find a fellow HOG member who is and support them with a pledge.

Mike also shared many exciting local and national ride event posters and brochures that have been sent to the club. They are posted in the HOG Corner.

We are busy planning for the Spring Open House at Kutter on May 20. A sign up sheet was passed around for volunteers to work various jobs ie. registration, food, bike games, 50/50, etc. You will be contacted with a job if you signed up. The sign up sheet is at Kutter if you can lend a hand.

Activities Director Leroy Rindy spoke about the busy HOG ride calendar for the spring, summer and fall riding season. Our first overnight ride (June 3 & 4) is being planned by Mike and Lori Foulker. Plans are coming together for the three night overnight ride (July 14-16). The ride calendar is posted at Kutter and is available on the website. Please remember to sign up for these events if you can go!

Wisconsin State Rally is coming up in June. There are two hotel rooms left. Contact Randy if you are interested.

Gary Sinks and Roz McKennon spoke on behalf of Kutter. Sounds like an exciting upcoming year at the dealership! Roz is busy making plans for the Open House.

50/50 winner was Ed Enzinger. He carried home \$63. Winner of the HOG mug door prize was Chandra Speich

**Respectfully submitted by your
HOG Secretary,
Kathy Rindy**

Safety Tips

With the colder weather the odds are that many of you are wearing leather chaps and heavier jackets. Though pretty expensive, there's ample proof that these provide far more than protection from the cold.

In studies of 'survivability' of various garment materials to a 50 MPH ride on asphalt, for example, denim lasted no more than FOUR FEET before wearing through. Kevlar, on the other hand, lasted EIGHTEEN FEET. But standard motorcycle quality (about three times heavier than fashion jacket material) lasted EIGHTY-SIX FEET. That's more than 20 times as effective as your jeans in protecting your hide. [The tests were reported in the September 1988 issue of Cycle magazine.]

Cold Fingers??

We have all ridden in cold weather and despite having heavy gloves, possibly including extra liners, those fingers get too cold and begin to numb.

(silk liners offer better cold weather protection than heavier cloth liners.)

So, what to do about it?

Here is a tip — A set of latex gloves over the liners, then put regular gloves on over the latex gloves. It's amazing how effective that simple idea can be.

(You do carry latex gloves in your first-aid kit, right?)

BARS COOKIES BARS COOKIES BARS COOKIES BARS

The Swiss Valley HOG Food trailer will be serving Scott Seffrood's famous BBQ along with other goodies as we have in the past. We are again requesting the HOG members to donate a pan of bars, plate of cookies, whatever you choose to go along with the "Swiss Valley Meal Deal". That has been a real hit in the past and we really appreciate the donations. They can be brought to Kutter on Friday (May 19) or the morning of the Open House (May 20). We can cut them so they are consistent in size. Please bring them in a disposable container or mark your pans and pick them up from the break room at your convenience. Again.....thank you!

Just a reminder!!!!

Don't miss out on a fun day with your fellow HOG friends! Although we are doing very well, a few volunteers are still needed for various jobs at the Open House. The sign up sheet is at Kutter and will be at the next HOG meeting. You will be contacted by the Team Leaders of the committees with work schedules. These will be approximately two hour shifts. Thank You!
