Hello Everyone,

WOW, what a winter it has been. This is a winter we will not soon forget. I would like to say it won't be long now till we get to uncover our bikes in anticipation of the first so-so day in March to get out and say we took a spin around the block, but with the forecast still full of rain, sleet and SNOW I have my doubts about any riding in March. By the time the warmer weather gets here it's going to take some time to melt the snow we have piled up around our homes. Melting snow mixed with a ton of salt and sand, not a good combination for riding. So don't be too anxious to get that bike out just yet.

Most people have stated they want the chapter to go back to being a "ride and have fun" chapter. With that said, we have lots of exciting things planned for this year. We will not be volunteering for any activities at the State Rally this year so we can keep the focus on our own events. A lot of members worked hard on setting up some great rides and events for 2008 so let's show thanks by showing up to the monthly chapter meetings and participating in the events that have been planned. Always a good time had by all.

We are still actively looking for someone to take over the Editor position when Sarah Burgert finishes her last newsletter in May. Sarah has offered to help train the next person willing to take on this position over the next two months. If you think you are willing to give it a shot PLEASE come see myself or Sarah Burgert.

Stay safe and THINK SPRING!!!

Mike Foulker, Director
Swiss Valley Harley Owners Group

Quivey's Grove: On Saturday, February 23rd at 4:00pm a group of bikers headed to Madison for dinner and some roller derby action in their cars. This adventuresome group included Sarah Burgert, Mike and Lori Foulker, Shawny Holcomb, Steve and Georgette Lee, Curt Moyer, Heather Phillipson, Dan and Mary Jane Reinbold, Mike Schmid, Curt and Diane Updike, and Jeff Williams.

Our first stop was Quivey's Grove in Fitchburg, WI for a nice dinner at the Stable. There are actually two places to eat at Quivey's, the Stone House and the Stable. Both buildings are listed in the National Register of Historic Places. There is a tunnel that connects the two buildings and holds a large wine cellar. If you have not had the chance to eat at Quivey's Grove I highly recommend it. I believe everyone left happy and with full bellies.

On to the roller derby...

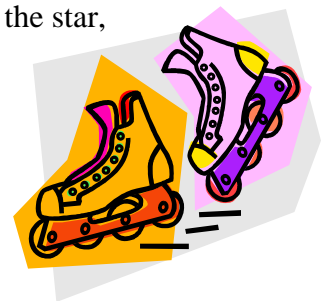

Unholy Rollers vs. Vaudeville Vixens; Quad Squad vs.

Reservoir Dolls: If you missed this event, you missed an evening filled with excitement and a nail biter till the final whistle. It was a sell out event with standing room only.

The resurrected Unholy Rollers took a commanding lead in the first period, ahead by 42 to 21 after the first 20 minutes and displaying new brilliance in the pack. Casual Derby fans tend to focus on the jammers and wonder why Unholy standouts like Jewels of DeNile and Back Doris had been unable to work their magic in previous seasons. Seasoned fans know the game happens in the pack and defense wins the day. The Unholy blockers have learned how to close holes for the opposition and open them for their own racers.

In the first jam of period two, Jewels (UR) scored an easy 13 points, while the Vixen jammer served a penalty. In the next jam, a determined Harlot Bronte (VV) scored 8. But the Vixens couldn't catch up. At the end, the Unholy Rollers celebrated a long-awaited win with hugs, big smiles and a victory lap.

The Reservoir Dolls verses Quad Squad bout was a festival of hard hits, blindingly fast action and penalties. The refs were kept busy, and if they'd been able to catch all the 20-foot rule violations and back blocks, the penalty benches would have been even more crowded. The Quad Squad seized and held the lead throughout the first period. One standout moment for the Reservoir Dolls came in the eighth jam, when tiny Mouse, wearing the star, delivered a powerful hit that almost sent the Vixen's Predator, a considerably bigger girl, into a fan's lap. The period ended with a score of 36 to 44 in favor of the Quads -- and two penalty benches at capacity.

Quiveys' Grove and Roller Derby continued...

The Reservoir Dolls, came back smokin' after the break. The Reservoir Dolls pulled its defense together and started scoring. Eight jams into the period, they had claimed a 9-point lead. Then the Quad rallied, displaying some astonishing moves that put them in the lead by 8 with one jam to go. In those last two jams, the Reservoir Dolls held the Quads scoreless while claiming 5 points for the Black and White. At the whistle, it was the Quads by just 3 points.

Final Scores:

Unholy Rollers, 86; Vaudeville Vixens, 77
Quad Squad 80; Reservoir Dolls, 77

I think a good time was had by all and hope that we can do this event again!

Safety Officer Report **RIDING ON THE SAFE SIDE!!**

A Letter from the Editor

Dear Swiss Valley H.O.G.
Chapter Members:

I have to start by saying how much fun the roller derby event was! Who would have thought it would be so much fun (excluding the frigid and icy walk to and from our cars)! I am glad we do things as a chapter even when it isn't riding season. It keeps us connected with each other.

As many of you know, my husband Kris has taken a regional sales position with Drag Specialties. That position has moved him to Phoenix, Arizona and I will be joining him in a few months. I will miss the Swiss Valley Chapter. Over the next few months I will continue to do the newsletter but am eager to find a replacement so there is no break in your getting the timely news and great stories found in The Cheese Kutter. The job isn't a hard one and I am happy to train an incoming editor so please call or email me if you are interested.

In this issue you can find a list of new chapter members. Be sure to welcome them aboard! Two of those members are featured in our "Meet the Member" section.

Also, for those of you who have not heard, our chapter website www.swissvalleyhog.com has been recently updated thanks to our new webmaster Steve Jacobs. Thanks Steve for taking on the job of keeping us informed via the web!

If you have news to share, ideas for future articles, or other suggestions for the newsletter, email me at burgert@tds.net.

Sarah Burgert
The Cheese Kutter Editor
Swiss Valley Harley Owners Group

Well, it won't be long now before we are out rumbling down the byways. Three or four more months of winter, a couple months of wind and rain, and the snow and salt should be off the roads. Let's hope it doesn't take quite that long, but the way it keeps snowing, who's to say. Just be prepared once the weather does break. Make sure you give your bike a complete once over. Use your owners' manual if necessary. We have a lot of fun rides planned this year, but we also need the help of others. We still have most of the evening dinner rides that need planning, or they will be cancelled. If you need help, talk to one of the road captains, we are more than happy to assist.

If anyone is interested in a Riders Edge class, please contact Kutter, I believe there are still openings available, but get signed up to ensure your spot. Another way to prepare for the riding season would be to take the CPR / First Aid class being offered at the Monroe BTC campus on March 10th and 17th. We have talked about this in the past, and I thought we had enough to fill the class, but as of Monday, 2-25-08, there were only 5 people signed up. They need a minimum of 10 people to hold the class. Let's fill it up ourselves, PLEASE! If they don't have it full by the 6th, it will be cancelled. Forms are in the newsletter, or call me at 608-938-4630, and I will get one to you.

I have to go start polishing my CHROME now, so until we meet again, be safe on the road no matter what you are driving, but let's really be looking forward to our 2 wheel riding season.

LET'S NOT FORGET THE MARCH 7th FRIDAY NIGHT FISH FRY TO REDS' SUPPER CLUB. TOM AND SUSIE DO SUCH A GREAT JOB SUPPORTING OUR CHAPTER, LET'S SHOW THEM OUR SUPPORT!!
