### NEWS FROM THE DIRECTOR

Welcome to October! The days are getting shorter, and the critters are on the move, so use extra caution while enjoying the last few riding days of the season. We have a fall overnight ride planned for October 11<sup>th</sup> and 12<sup>th</sup>. Leroy and Kathy Rindy have made plans to ride a scenic route to Wabasha, Mn. It is a beautiful area during the fall, and I'm sure they will make it an enjoyable weekend for all who attend.

I hope many of you enjoyed Cheese Days in Monroe. Did you get a chance to visit Kutter's trailer? Unfortunately, we were out of town. Fortunately for us, we were on vacation with the bikes! We rode about 1500 miles in the states of West Virginia and Virginia. Skyline Drive, The Blue Ridge Parkway, The Midland Trail, US 50 and US 33 are all great roads to ride if you ever get out that way. They are very scenic, with great twisties and curves, and very well maintained.

There are a few things to think about before our October meeting. The three dinner rides remaining this year, need to be signed up for by the end of the meeting, or will be canceled. We will drive cars once the riding season is over. Also, we need to start planning the calendar for next year. Anyone with ride ideas is encouraged to speak with Leroy or myself. We will be trying to meet in late October or early November to go over plans and set dates. Anyone with ideas will be welcome to join the road captains and officers to come up with some new and fun rides for 2009. PLEASE HELP!

**DON'T FORGET THE HALLOWEEN PARTY!!**

## Road Captain Report

As things wind down and Fall is closing in, we are enjoying a few more beautiful riding days. Make it a point to get out and enjoy a little bit of that Indian Summer before it's gone. It will be a long winter, so get your fill now!

We just returned from a beautiful riding vacation in the mountains of Virginia and West Virginia. These trips are something we never would do if we weren't in the saddle of a Harley Davidson. There's nothing like riding the twisty mountain roads, smelling the scents of autumn and enjoying the newly emerging colors of the mountain foliage.

Our last organized ride of the season will be the Fall Overnight Color Ride to Winona, MN, Oct. 11 & 12. I won't go into detail about it because the sign up has been completed and all hotel rooms are sold out. We have a fun-filled trip planned. Plenty of beautiful sights, great places to stop at, historic restaurants to eat at and plentiful prizes await the group. Let's plan on meeting at Kutter around 9:00 AM for coffee and leaving there at 9:30. The rest of the itinerary is in last month's newsletter. If you have any questions, please feel free to e-mail or call Kathy or me.

Happy riding,

Leroy Rindy, Head Road Captain  
Swiss Valley Harley Owners Group

## Safety Officer Report

Cooler nights and thin ground fog later in the evening. This and the fact that Bow hunters (and good luck to all hunters), are stirring up deer movement. Along with the time of year deer start there rutting. You have to keep an extra special eye for road hazards. Classes are being schedule for roadside assistance on Dec. 6th and Jan. 17th. They will be in Beloit at a cost of \$55 per student.
