### NEWS FROM THE DIRECTOR

The annual Holiday Party was a great time. We had 21 people there and games afterwards. The meal was delicious and I want to thank Wendy and Curt for picking up the food! We had some nice gifts for our drawings that we purchased along with some gifts donated by Kutter!

I would like everyone to give thanks to Wendy when you see her for offering to take the position of Treasurer. I am sure she will do a great job and Barb has offered to help out giving a little training to the her successor.

The International Motorcycle Show is in Chicago again and a few of us are going up to see what has changed in the past two years as we didn't go last year. Should be a good time, just hoping the weather holds out for us.

The next meeting will be at Flannigan's on the square in Monroe on February 9th at 1pm. There will be a very short meeting (it's winter - not much to talk about) and then an afternoon of games, cards, or whatever people bring in. It may not be riding weather, but let's have some fun!

There will be NO Newsletter for March. Things are slow this time of year so there is no real need to put out a newsletter. There will be a meeting at Bonnies and Bullets on March 11th at 7pm though.

Our next dinner ride will be on March 21st, organized by Jeff W. and he is planning on Partridge Hall in Argyle. If the location changes, I will notify everyone via email (or calls if you don't have email).

Hang in there - only 50+ days until Spring!

That is all I have for this month.

John Deackman, Director  
Swiss Valley Harley Owners Group

## ASSISTANT DIRECTOR

Yuck, will this weather ever end, will we have a new ice age? I'm sure that many of us are feeling the same way and spring sure feels like a long way off. At this writing there are 50 days until spring officially starts and it seems like a long time but the next thing you know we will be riding again and I can scarcely wait. There will be no newsletter in March as I understand it so riding season should be underway by the next newsletter. To help pass the time Dave Wehinger, John Deackman and I traveled to the Chicago area to take a look at what's new in the motorcycle world at the International Motorcycle Show. Because this contribution is being written prior to the show, I would say that I am looking forward to seeing the new Harley Davidson 500/750 urban style bikes. Additionally, Indian, Kawasaki, Royal Enfield and Triumph are manufacturers whose offerings I am interested in seeing. This show has all kinds of vendors, exhibits, and a big custom bike show so it is a great way to spend a winter afternoon while waiting for the spring thaw.

Until then, suffer your motorcycling withdrawal pains with patience and good humor, all good things come to those who wait.
