NEWS FROM THE DIRECTOR

Spring is here and it still feels like the end of winter....Looks like we are going to go straight into summer. At this rate, the end of summer is going to happen way to fast this year!

Due to several meetings in the past month or so, the website and newsletters have not been updated and I will be getting that up-to-date soon. Due to some unsettling circumstances recently, we will not be running the food trailer for Kutter's Open House on May 17. Our next meeting on May 13th was suppose to be a dinner ride/meeting. At this time, this will become a regular meeting at Bonnies and Bullets at 7:00pm as usual.

Upcoming events this summer. June 21 is the Sons of the American Legion will be at Kutter and we have been asked to do lunch for the group again this year, but I have not heard anything as of yet this year. We were asked last year if we would be interested to do again next year when we had it. Deb and I will not be available for this fund raiser as we will be on vacation on a ride to Pennsylvania. If this does become a reality for the need to cook for the group, more email notifications will be submitted to the chapter as information arises.

June 22nd, Jeff will be leading a group of people to Darlington to The Towne House on main street for a Breakfast Ride. Again, Deb and I will not be available for this ride as that is the day we will be returning home from Pennsylvania and will probably not be home until 7pm.

HOG Minutes – 4/8/14

Meeting held at Bonnie's. Pledge led by John D.

John discussed the letter that we sent to Janesville, they expressed that they will respond but none has been received. No rep from Kutter was present at this meeting.

It was decided that the chapter would go ahead with planning the open house. Jeff Wright announced that Matt from Hupey and Abraham will donate money for the chapter to buy food-\$275.00. They will do some advertising so we need to get in touch with them as soon as possible.

Jeff will contact Matt after John meets with Kutter to see if just doing the food trailer is acceptable.

John is concerned that we will not have enough manpower for the car show and open house. Jeff W made a motion that we do not help with the car show and we focus on the food trailer. Wendy Holmes 2nd the motion. All agreed. Dawn motioned to go ahead with the food trailer plans-Steve 2nd.

Food: Hot Dogs-1 pkg, Brats (100), Burgers (100), buns from bakery, curds (30lbs), pop from beverage mart, water.

Wendy: curds, chips, water

Dawn: buns, condiments, plates, napkins

Chandra: Sauer Kraut and onions, Brats, Burgers

John: charcoal

Jeff: Beverages

John asked if we could charge food as ala cart to try to make more money.

Chapter discussed:

Burger/Brat \$4

Dog \$2

Curds \$3

Pop \$1

Water \$1

Chips \$1

Bars \$1

Meal \$6 would put in 2 hot dogs and will not include a beverage

Deb D motioned for these prices-Robert 2nd

LeRoy thought too much money.

Voted: motioned passed.

Will only do 50/50 if we have enough people to do it; will decide that day. John will ask Andrew to get the trailer into place.

John and Dawn will clean it the night before the open house.

HOG Minutes – 4/8/14...continued

Wendy explained the bylaws concerning the money we have in our account. The money has to be dispersed to a non-profit organization no matter what happens to the chapter. Discussion was made on where we could disperse the money if we need to do it soon. Suggestions were: Jacob Swag Foundation/Tyler Pierce Foundation, Chunky Monkey Foundation, Autism Speaks-local group (Freeport), Badger Honor Flight. Steve Lee suggested that we focus on whether we are a chapter or not and worry about what to do with the money later/if we have to. John asked if we could disperse funds at the next meeting after the open house-June's meeting.

A suggestion was made that we do not pay for the trophies for the car show. The chapter members present do not feel that it is our responsibility.

Dinner Ride: April 22 meet at Kutter at 6:30 go to Sugar River Pizza in New Glarus
