NEWS FROM THE DIRECTOR

Well, it looks like riding season is over, at least for most of us. I know we have a few die-hard riders in the group, but I'm not one of them anymore. The bike is put away and it is time to start cleaning and polishing for next season.

Next June, Deb and I plan on riding to Murphy, NC for a week of riding in what the Road King Riders group calls the Southern Comfort Zone. We will be riding the Tail of the Dragon, the Cherochala Skyway, Nantahala Gorge, Gatlinburg, Pigeon Forge, and maybe Dollywood and the Wheels through Time Museum in Maggie Valley along the great Smokey Mountains. This will be June 6th through June 14th. If anyone is interested in riding along, let Deb or I know and we will help you get reservations setup. We will be staying at the Best Western in Murphy, NC. as our base camp for the week.

I would like to say I am sorry for the lack of information presented this season and lack of newsletters. To be honest, I was stressed out this year with the club and associates. I was ready to through in the towel in June and just call it quits. I don't have time to spend countless hours trying to make a club work when the interest of the group isn't there. At one point I think we were all frustrated enough to just walk away. We are starting to get people interested in the club and I would like to thank Del Heins and Tom Gilmore, our latest additions to the Swiss Valley chapter, for giving me another look at what this chapter is about. I also want to thank Jeff Wright for hanging in there and going above and beyond with helping the chapter and his pep talks to me. I needed that.

On Saturday night, October 25, the chapter went to Lelle's in Woodford for a fun night of eating, laughing, and great music.

NEWS FROM THE DIRECTOR....continued

Thank you Del Heins, for livening up the night with a few jokes and bringing along your accordion to play some music. The group next to us was celebrating a birthday and the whole room came together singing Happy Birthday to Pat. We had a great time. Del has also offered to take the membership director within the chapter. Thanks you Del!

Tuesday November 11 will be the next meeting at Bonnies and Bullets. Please come prepared to discuss the money disbursement to the charities of our choice. Granted we don't have a lot of money to give away this year, but let's see what we can do. Our December meeting will be our 2015 Calendar creation night. Get your ideas flowing for a great 2015 riding season!

In January of 2015, we will need to place another member into an officer position. Wendy Holmes will be stepping down from the Treasurers position. If you are interested in the position, please let me, Jeff, or Andrew know. I do have 1 possible person at this time, but I need to give all a chance to offer their assistance.

ASSISTANT DIRECTOR

The 2014 riding season is sputtering to a close as the weather gets cooler and wetter and the time for storing your bike is fast approaching. (Be sure to contact Kutter HD Shop in Monroe to schedule your storage.) By the time you read this, Halloween will have come and gone, but in spite of some eye surgery's I still managed to ride 6000+ miles this year. Some Chapter rides, some with friends and two longer runs with my Minnesota family members. The last one recently occurred in the Mondovi area. The twisty turns and the breathtaking valley vistas one is surprised with while riding the steep hills of this area are sure to please. The larger area of this part of Wisconsin bordered by Highway's 90 / 94 and the Mississippi river is rich with scenery and things to do that will attract the rider and tourist in you. Two must visits are the Creamery at Nelson for ice cream and the Buck Knuckle Tavern/restaurant on Highway 88 south of Mondovi, which features log construction, a unique and interesting agriculture/country style theme with good food and friendly atmosphere. The Sunrise Inn at Mondovi offers nice rooms, biker friendly owners and very reasonable pricing.

The November and December meeting will be important for all members to attend because we will be discussing the disposition of funds relative to charity and we will also be planning our rides for the 2015 season. Your input is important so we hope you will attend and be part of the planning going forward. Discussion of dinner rides and the Holiday party will also be touched upon.

Kutter will be holding a Christmas Open House as you have probably read in your emails. This is one last opportunity for the H.O.G. chapter to create some more funds in 2014. The usual method is a bake sale, so with that in mind, we need people to step up and create baked items to donate to the sale. Please respond to jodyj@aeroinc.net if you intend to contribute.

Jeff Wright, Assistant Director
Swiss Valley Harley Owners Group

FYI

CeeCee (from Janesville) is planning to attend our next meeting. She has some information she would like to share with us, so please plan to attend the meeting on November 11, 2014 at 7:00pm. Upstairs of Bonnies/Bullets.

Reminded that there is a dinner ride Saturday night October 25th going to Lelle's in Woodford for Prime Rib, meet at Kutter's in Monroe at 6:30 pm and Dave Wehinger will lead the way to Woodford or meet in Woodford at 7pm.

Discussed options for the Halloween party and decided that the dinner ride will be the Halloween party for this year. Del Heins would like to provide some musical entertainment at the Dinner ride and Dain Updike will check with Lelle's to make sure that they are okay with that.

Announced that Jeff Wright has stepped back in the role of Assistant Director and Wendy Holmes will be resigning at the end of the year as membership officer and treasurer. Please contact John Deackman or Andrew Kranig if you're interested in the Treasurer position.

There are two SVH shirts left if your interested in them please let one of the officers or Andrew know and we can get you the size and the colors that are left.

Andrew reminded MVP members that Kutter's in Janesville will be hosting the MVP party on October 18th from 5:30-8:30. He also announced that Monroe will be having their Holiday Open House on December 11th. The Monroe store will be open until 8pm that night; Santa will be there from 3-6 pm.

November 11, 2014 is the next meeting and we will be deciding what charities to donate to this year, so please plan to attend and have ideas as for charities. We will also start planning the Christmas Party at this meeting. We will also be discussing the Holiday open house at Monroe to see if there is anyone who would be available to wrap presents and possibly have a bake sale.
